A: Yep. We can appreciate the convenience of plastic, but cash will be your best friend at the festival (after water that is). There will be a few different token booths spread across the festival as well as our Mobile Token Teams who will be walking around selling tokens. While our token booths will accept cash or credit, our Mobile Token Teams will only accept cash. You won't need to empty your bank account but be prepared with cash so that you can have the best cider experience possible.

If you run out of cash, Token Booths will accept Credit Card or Debit Card Payments, but we recommend cash so you can spend more time with cider than the credit or debit machines.

Q: HOW DO I GET TOKENS?

Tokens will be your onsite currency. You will receive 4 tokens with every ticket purchase (or 10 tokens with every VIP purchase) and can purchase additional tokens at the festival. Tokens are available for \$3 per token. You can purchase both cider and food with tokens

Q: WILL THERE BE WATER FOR ME TO DRINK?

Yes, we will be providing free sparkling water and flat water for you to drink. You need to stay hydrated after all to make sure you have the best cider experience possible.
